<p>Upper Watts Branch Park – Environmental Restoration</p> <p>Field Survey Planned</p>
--

During the week of **Monday, March 4, 2013**, the City's environmental consultant, Charles P. Johnson and Associates, Inc., will be working on a field survey within the Upper Watts Branch Park – Forest Preserve Stream. The survey will capture existing features along three storm drain channels (Princeton Place, Azalea Drive and behind 619 Aster Boulevard) in preparation of updating the Citizens Task Force and designing repairs.
